NINFEA

Design Alberto Lievore

IT Ninfea è la nuova linea di contenitori da esterno di Fast, con piano in finitura antigraffio. Il motivo a incisione delle porte richiama lo stesso linguaggio di astrazione vegetale presente in altri prodotti Fast e questo permette a Ninfea di integrarsi armoniosamente in tutte le altre collezioni. Oltre alla funzione di contenitore, Ninfea presenta un forte valore arredativo come separatore di spazi e situazioni.

EN Ninfea is the new line of Fast outdoor containers, with a scratch-resistant finish top. The engraved pattern of the doors recalls the same plant-based theme as other Fast products, a choice made for aesthetic consistency which makes Ninfea compatible with all the other collections. Aside from its function as container, Ninfea has a strong furnishing value as separator of spaces and situations.
