

UNDUETRE

Design Francesco Meda and David Lopez Quincoces

^{IT} Unduetre è una collezione di divani componibili che rivoluziona il concetto di divano nel mondo dell'arredo outdoor, grazie alla sua straordinaria capacità di adattarsi con fluidità e semplicità a diverse configurazioni. Il nome stesso, Unduetre, richiama l'immediatezza e la naturalezza del gesto: con un movimento che sembra naturale, il divano si trasforma, passando da una configurazione lineare a un'isola, adattando il divano a molteplici scenari d'uso, dalla convivialità al relax più intimo. La possibilità di reclinare schienali e braccioli con estrema facilità offre una versatilità senza pari, permettendo di reinventare continuamente lo spazio a seconda delle esigenze.

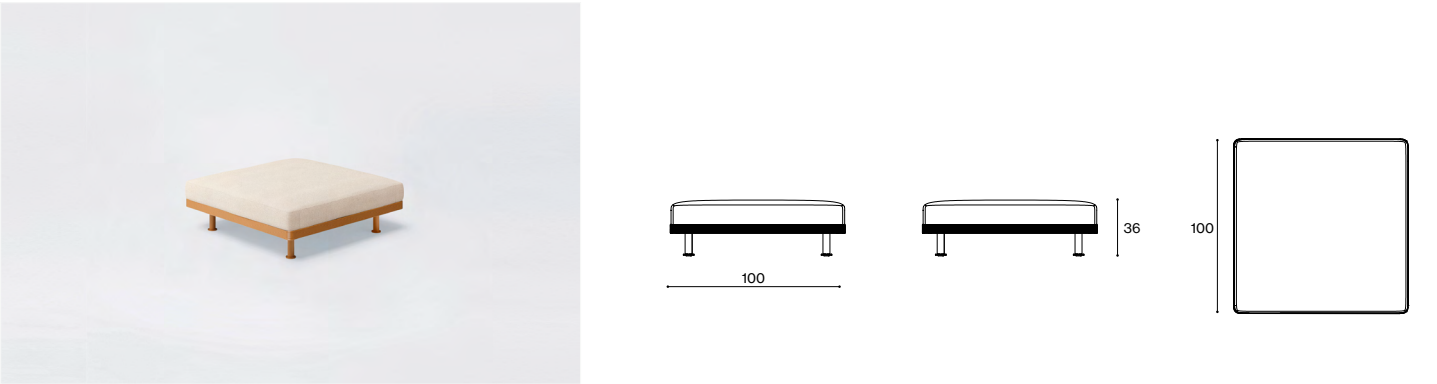

^{EN} Unduetre is a collection of modular sofas that revolutionizes the concept of sofas in the world of outdoor furniture, thanks to its extraordinary ability to adapt with fluidity and simplicity to different configurations. The name itself, Unduetre, recalls the immediacy and naturalness of the gesture: with a movement that seems almost natural, the sofa transforms, going from a linear configuration for moments of conviviality, to an island configuration, more intimate and cozy for relaxation. The possibility of reclining backrests and armrests with extreme ease offers unparalleled versatility, allowing the space to be continually reinvented according to needs.
