

# ZEBRA

Design Studio Lievore Altherr

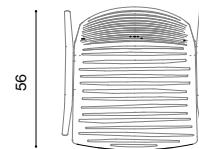

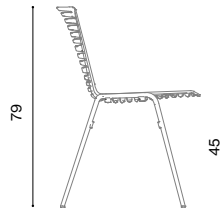

<sup>IT</sup> Realizzata in alluminio pressofuso, la collezione Zebra unisce la solidità del materiale alla leggerezza delle forme e, per questo, si adatta facilmente agli ambienti outdoor residenziali o contract. Nelle sedute, le linee gestuali dello schienale ricreano quell'effetto organico e irregolare caratteristico delle venature del legno e della pietra.

<sup>EN</sup> Made in die cast aluminium, the collection Zebra combines the solidity of the material with the light weight of the shapes, hence, adapts easily to any outdoor setting, be it residential or contract. The gestural backrest pattern evokes the organic feel of wood grain or a mineral veins - perfectly irregular, perfectly natural.
